The Giving Tree

Adopt • Share • Donate

Help a local child wake up to kindness this Christmas.

A local tradition of generosity, hope and community. After the recent flooding, some of our neighbors are starting over, so every tag means more than ever this year.

How it works

1. **Families sign up**
   Local schools and churches refer families who could use a little help. Sign-ups close November 20.
2. **Tags go on the tree**
   Each child's tags hang on our online tree with their age, sizes and wishes. Names stay private.
3. **You adopt a tag**
   Pick a tag, or both of a child's tags, and go shopping for the sizes and wishes listed.
4. **Gifts go home**
   Drop off or ship gifts unwrapped by December 7. We wrap them and get them to families.

Every child gets two tags

A Clothes
Shirt, pant and coat/jacket/sweatshirt sizes, plus other clothing needs like pajamas or socks.

B Toys
A short wish list and their favorite color, so every gift feels made for them.

Each tag has a code like #1-2-A. Attach it to the gift so it reaches the right child.

Three ways to help

Adopt
Sponsor a tag, or both of a child's tags. Scan the code below to see the tree.

Share
Tell friends, family and coworkers. More sponsors means every child is covered.

Donate
Venmo **@april-gates-3** with the note "The Giving Tree." We'll shop for a child.
